

IS YOUR DOG BREEDING QUALITY ?

Yes, you have a dog
Of breeding quality. However,
If you are not active in showing or
Working your dog, think very carefully about
Your reason for breeding. Breeding should be done
To improve the breed, not so the kids can see puppies
being born, or because you want "a puppy from her."
and NEVER to make money selling puppies!
Don't breed out of greed!

IS YOUR DOG PUREBREED ?
